Little Stories. Big Lessons.

A Chime Surprise

Oliver Fox skipped into Sunny Forest. The sun peeked through the leaves. He had pretty wind chimes in his paw. Oliver wanted to hang them up high. A friend's surprise party was today! He saw a perfect tall branch. It was just right.

Too High to Reach

Oliver jumped up to reach. He stretched his paw. The branch was too far away. He tried again with a bigger jump. Still, it was too high. Oliver felt a little stuck. He really wanted to hang the chimes. He thought and thought.

A Friend Appears

Just then, Squeaky Squirrel scampered past. "Hello, Oliver!" she chirped. Oliver showed her the chimes. "I need to hang these," he said. "But the branch is too high!" Squeaky looked at the branch. She looked at Oliver. She saw his clever eyes.

Let's Solve it Together!

Oliver smiled his big, playful grin. "Let's solve it together!" he said. "You are small and quick. I am tall and strong." Squeaky got a bright idea. "I can stand on your shoulders!" she said. "Then I can reach!"

Teamwork Makes it Work

Oliver stood very still. Squeaky climbed gently onto his shoulders. She held the chimes carefully. Up she went, reaching for the branch. *Ting-a-ling!* The chimes hung perfectly. Oliver and Squeaky cheered. They had worked together as a team!

Happy Friends

The chimes sparkled in the afternoon sun. Oliver and Squeaky felt very happy. Their friendship felt even stronger. They knew they could always help each other. Working together made everything fun and easy. It was a lovely day in Sunny Forest.
