A Sniffle in Sunny Forest

Bella Bear walked in Sunny Forest. The morning sun was soft and warm. She hummed a happy tune. "Kind hearts make happy days!" she said. Then she heard a little sniffle. Bella looked around. There was her friend, Squeaky Squirrel. He sat under a big nut tree. Squeaky looked very sad.

High Up Nuts

Bella went closer to Squeaky. "What is wrong, dear friend?" she asked softly. Squeaky looked up at a high branch. "The best nuts are so high!" he squeaked. His little paws tried to reach. But they were too short. Squeaky felt a bit sad and hungry.

Bella's Kind Idea

Bella looked at the very high nuts. She saw Squeaky's sad, droopy face. "Hmm," Bella thought. "Kind hearts make happy days!" She looked at a strong branch. It was not too high for her. Bella had an idea to help her friend.

Nuts Come Falling Down

Bella stood on her tiptoes. She reached up with her paw. She gave the strong branch a gentle shake. *Thump, thump!* Many round, tasty nuts fell down. They landed softly on the grass. Squeaky's eyes grew wide. He jumped up and down with joy.

Thank You, Bella!

Squeaky picked up the tasty nuts. He held one tight in his little paws. "Thank you, Bella! Thank you so much!" he chirped loudly. Bella smiled her big, gentle smile. "You are most welcome, Squeaky!" she said. Her kind heart felt very happy.
